

INGHAM COUNTY PARKS INFLATABLES AND DUNK TANK RENTAL INFORMATION

Please familiarize yourself with the following rules and regulations as they were developed to help ensure a safe and enjoyable visit.

SET UP

1. Park staff will set up and break down all equipment that is rented. It will be set up by the time requested by the reserving party.
2. Park staff will determine location where inflatables and dunk tank are to be set up. There are designated “set-up” areas at each shelter.
3. For moonwalk and giant slide, a hand stamp may be required for persons in the reserving party to use equipment. Safety attendant will provide reserving party with the hand stamp. *This is to differentiate persons with the reserving party from others in the park if park is busy.*
4. Inflatable games cannot be operated when one or more of the following conditions exist: Winds exceed 20 miles per hour, temperature is below 40 degrees, or in rain

In the case that one of the above mentioned conditions are present, inflatable equipment will not be set up and the reserving party will be refunded 100%.

If any of the above mentioned conditions is forecasted to occur on the reservation date, the reserving party may choose to continue with or cancel their equipment reservation. If above said condition does occur and equipment has already been set up and used, there will be no refund.
